Thinking about it a bit more, we don't have other morning, or post lunch meetings scheduled. It will save considerable travel dollars not having us EPA and State staff stay overnight Tuesday.

I call to cancel the Wednesday meeting and have a call as soon as reasonable; Chris thinks next week could work. If so, I would be available Monday and Tuesday, or early Wednesday.

Please forward some 1.5 hours blocks you are all available.

Sincerely,

Sabrina Forrest

We won't have Jeannine, nor Chris as they are both supporting the Animas issue. So it would be me and Fran only, perhaps Alissa as well. We could plan for a debrief call on another day when Terry and the CICs are available.

Any votes for holding off the in-person and planning a call?

Sincerely,

I've been asked to help out in the JIC in Durango regarding the Gold Mine discharge, so I won't be able to attend the CO Smelter CAG tomorrow.

I haven't heard from Terry as to whether he will be able to attend the debrief on Wednesday, but y'all will likely see each other tomorrow to finalize those plans.

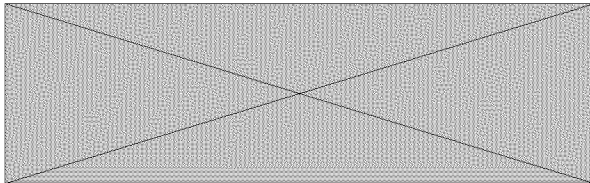

Safe travels,

Jeannine
